Kay Hansen

“I WILL MISS THE KIDS”

Kay Hansen began Eternal Live on May 2, 2013, Marian Central teacher for 29 years.

Long time English teacher Kay Hansen lost her battle with cancer in May. One of the last things she said was to tell the students she will miss them. The following is from her funeral program:

“Live simply so others may simply live.” Kay Hansen led her life following this saying. Our hopes are that each and every one of you who has been touched by her will follow her legacy of love. Our angel is now guiding, supporting, and loving us from heaven just as she did on earth. There will be no race in life that we can’t finish because Kay will be cheering us on. She would say to her family: The Lord will ask you: “How much have you loved?” We intend to reply, “As much as our mom.”
(From Earl, Elizabeth and Michael.)

“Mrs. Hansen would always just light up a room. She was an amazing teacher, who just always gave!” *Erin McConnell Widmayer '92, Marian Art Teacher*

“I am grieving in small part for myself. For losing a woman who had a huge impact on me, who taught me that short stories and long essays are wonderful things too often overlooked, and who always, always had a smile. I am grieving for myself that I’ll never be able to see her in a Marian hallway again, or ask her advice, or invite her to my wedding one day. She would have been the best wedding guest. You know she would have. For me and many others, she was that teacher. The one who stuck with you long after class was over. The one who did more than teach; she inspired.” *Alexe Cooney '07*

“I really liked her in English, and as a pom coach. I always think of her when I hear The Raven (NEVERMORE!). She will be missed.” *Kris Martinez Farrell '91*

“Mrs. Hansen taught me to open up and be confident in analyzing literature and to be kind to everyone no matter who they were.” *Rachel DiPirro '13, Co-Valedictorian*

Marian Central students out of respect for Kay Hansen wore bandanas to school the day after her funeral. Over 500 were collected and then hung in a display on the walls and ceilings of the English department until the end of the school year.

Transitioning to the 20'S STRATEGIC PLAN

Early in the 2012-13 school year, the Council of Administration appointed an ad hoc committee whose responsibility it was to develop a new long-range plan for the school. *The Transitioning to the 20's* strategic plan report developed by the committee was presented to and approved by the Council at its April meeting. The plan contained 21 recommendations for meeting the demands associated with continually updating and improving our school programs and facilities. We have posted on our website a brochure which identifies the recommendations contained in the plan. You can access the plan from the front page of our website at: www.marian.com. During the 2013-14 school year we will begin the implementation of those recommendations. In accord with the plan, certain of the recommendations are to be addressed in the next five years while others, which would require more significant funding sources, are to be addressed over years six to ten.

MARIAN CENTRAL CATHOLIC HIGH SCHOOL LAID THE FOUNDATION...

"It is with deepest gratitude and joy that I celebrate the 50th anniversary of my graduation from Marian Central. As the school opened its doors in 1959, our class of 1963 was the first to complete four years at the school. We had great teachers who encouraged us, taught us about faraway places, and made us think about our futures.

I became the first in my family to graduate from high school and college. My desire to become a nurse was fulfilled and I worked in Chicago as a public health nurse. Thank you, Marian Central, for getting me off to a great start."

Class of '63 Celebrates 50th Reunion

The weekend of June 21-23 saw 48 members of the Class of '63 enjoy their 50th reunion. Special guests included former faculty members Joe Gubbins, Mary Brennan (Sr. Maria), Ed and Mary Osada, Tom Parsley, and Pat Stilling. The weekend ended with a tour of the school conducted by Superintendent Tom Landers.

In appreciation of the positive impact Marian Central had on their lives, the Class of '63 gave a class gift to the school to commemorate their 50th reunion and, hopefully, start a tradition with other classes. The "Class of '63 Fiftieth Reunion Fund" has been established within the school's endowment fund, where the fund's interest earnings will be used to help the greatest need. Private and/or anonymous donations can be made at any time.
