Insurance/Health and Injuries/Proof of Insurance

The school/diocese does not carry medical insurance for injuries to students. Therefore, the cost for medical expenses incurred by a student as the result of an accident or injury, which occurs on school property or at a school activity, will be the responsibility of the student's family or family insurance provider.

I, the undersigned, do state that my son/daughter is fully covered by an insurance policy that includes interscholastic athletics during both the practice periods and all school contests and other events. I further state that I will not hold Marian Central Catholic High School, the Diocese of Rockford, nor the Marian coaches responsible for the financial costs associated with any injury that might result in the course of practice, contest/events, or travel to and from school sponsored events.

Athletic Handbook Agreement

We, the undersigned, do state that we have read the 2015-2016 Marian Central Catholic Athletic Handbook posted on the school web site. The athlete and the parent/guardian agree to follow and abide by the rules contained in the Handbook while participating in interscholastic competitions at Marian Central Catholic.
