Dear Athletes and Parents:

Welcome to the Athletic program at Marian Central. Being a member of a Marian Central Athletic Team carries certain responsibilities. Each student athlete must commit to complete loyalty and dedication. Parent support is a key ingredient in developing a successful young athlete. Both parents and athletes are expected to be positive leaders in promoting good sportsmanship.

There are nearly 690 scheduled athletic events, 41 teams and approximately 70 coaches involved in the athletic program at Marian Central. The purpose of the athletic program is simple - to provide the youth who attend Marian Central with the opportunity to experience success through interscholastic competition as they develop into mature, responsible people.

This handbook is provided to give parents and students the information required to help Marian Central student-athletes succeed. We ask you to read this handbook carefully and discuss it with your student- athlete as he/she becomes involved in the Marian Central athletic program. We invite you to take part in our programs as a supportive parent and enthusiastic spectator.

It is mandatory that the parents and student-athletes complete the Emergency Notification form, the Handbook Agreement/Insurance Waiver form, the IHSA Steroid/Drug Testing Consent Form, the IHSA Concussion Information Form which can be completed online:

<https://mariancc.8to18.com/accounts/login>

You must register your student-athlete, and have their physical on file before they are allowed to participate in interscholastic activities. If you have any questions, please contact the coach or the Athletic Director. Physicals should be returned to the main office, and student-athletes must register online .

VISION/MISSION

Our Vision

Peregrini via Veritatis – “Pilgrims on the Way of Truth”

Our Mission

We, the administration, faculty, staff, students, and families of this Roman Catholic, diocesan high school, dedicate ourselves

- to welcoming all who seek Truth and strive to live by it;
- to proclaiming the Gospel of Jesus Christ – the Way, the Truth, and the Life – by sharing of the Catholic faith in word and deed;
- to forming students in mind, body, and soul through our college preparatory curriculum, diversity of extracurricular activities, and program of spiritual growth; and
- to sending servants into the world equipped with their God-given talents and acquired wisdom to spread God’s kingdom.

ATHLETIC CURRICULUM

Interscholastic activities are an important aspect of any high school. Participation in high school athletics is an extension of what happens in the high school classroom. The opportunity to participate in a variety of sports is open to all Marian Central students. The opportunity for a student to participate in these sports is a privilege, not a right. Therefore, those who choose to engage in these sports must abide by certain rules.

Students who take part in athletics are encouraged to participate in multiple sports rather than choosing a single sport. Interscholastic sports help students learn valuable life lessons, and other qualities related to sports and life. Pride, teamwork, self-discipline, self-sacrifice, work ethic, commitment, perseverance and sportsmanship are a few of the qualities besides winning that should come from high school athletics and will be essential throughout students' lives.

The experiences encountered during high school athletics should be enjoyable and positive. The Marian Central community has a higher level of expectation for students who compete in interscholastic athletics and activities.

Coaches have a responsibility to define the educational curriculum of sports and activities in our school. The curriculum of standards and expected outcomes for our programs is NOT measured in WINS, LOSSES and CHAMPIONSHIPS.

The athletic program is designed to enhance the overall mission and philosophy of the school. The educational purpose of our athletic program is about more than teaching a young person a specific skill (i.e. hitting a curveball, serving a volleyball) or even earning a scholarship. To be sure, we all believe that athletics and activities teach teamwork, dedication to purpose, and playing within a set of rules. However, our number one core goal is the propagation of good Christian people for our country who will contribute to the quality of life. We strive to prepare young people to deal with the circumstances of life, develop good Christian people in society who exhibit respect for self and for others. This will be our contribution to the education of our youth through our activities.

Through sports and activities, students learn to seek and to find, to strive and to fail or succeed, to never yield and to accept the outcome, and to feel good about oneself. These are the core educational concepts, and they are all contained within the high school athletic/activities programs. Sports and activities provide not only the opportunity to teach and learn respect for self and respect for others, they also place participants in a unique context - competition - that can further instill and develop values necessary for the development of respect for self and respect for others.

All expenses incurred for participation (transportation, meals, lodging, etc.) will be paid by the student-athlete/parent. Should any expenses be incurred by the school in hiring a teacher/coach to go with the individual athlete as required by the IHSA or a substitute for the teacher/coach, the student-athlete/parent will be responsible for this cost.

ATTENDANCE AT ATHLETIC DEPARTMENT BEGINNING OF THE SEASON MEETING

Prospective student-athletes and at least one parent/guardian **MUST** attend the athletic department meetings scheduled at the beginning of each sport season if the athlete plans to participate in a sport that season. The Fall sports meeting is scheduled on Monday, August 6th; the Winter sports meeting is scheduled on Tuesday, October 23rd; and the Spring sports meeting is scheduled on Tuesday, February 19th. Each of these meetings starts at 7:00 p.m.

REQUIRED INFORMATION NEEDED BEFORE SEASON STARTS

Prior to the start of practice for a sport, all students **MUST** turn in the following four forms to the offices identified:

No athlete will be allowed to begin officially practicing without having clearance from the Athletic Director. The AD will not provide such clearance until the following forms have been properly completed and turned in.

1. **PHYSICAL EXAMINATION** – This form must be signed by a licensed physician. Incoming freshmen and transfer students use the required school entrance physical. A physical is valid for 13 months from the date of the physical. Therefore, it is recommended that physicals take place after June 1st. Physicals for freshmen are turned in to the School Office and physicals for sophomores, juniors, and seniors are turned in to the Athletic Director's office.
2. **EMERGENCY NOTIFICATION FORM** – This form is part of the registration process which is done online.
3. **INSURANCE WAIVER/HANDBOOK AGREEMENT & STUDENT INFORMATION FORM** – This form includes a sign off indicating that the student/athlete and his/her parent/guardian have read this handbook and agree to abide by the policies stated herein. This form is part of the registration process which is done online.
4. **IHSA STEROID/DRUG TESTING CONSENT FORM** – This form indicates consent on the part of athletes and their parents to random drug testing in accord with IHSA policy. This form is part of the registration process which is done online.
5. **IHSA CONCUSSION INFORMATION FORM** – This form indicates you have read and agree with the IHSA policy and procedure outlined in the form. This form is part of the registration process which is done online.

ATHLETIC/CLUB PARTICIPATION FEE

Each athlete is required to pay a participation fee. This is accounted for by the school bookkeeper. The fee is \$200. The fee is required for participation in one sport/activity including all which the student is participating. This fee is non-refundable. Exceptions can only be made by the Superintendent.

INSURANCE, HEALTH, AND INJURIES

1. The school/diocese does not carry medical insurance for injuries to students. Therefore, the cost for medical expenses incurred by a student as the result of an accident or injury which occurs on school property or at a school activity will be the responsibility of the student's family or family insurance provider. Students participating in athletics will be required to present proof of insurance while registering your student-athlete on-line before being allowed to participate in any sport. In the case of an accident, no matter how minor, the student has a responsibility to report the accident to the teacher or coach in charge.
2. If an individual has any special medical problem, the parent must inform the Athletic Director in writing. This is essential to safeguard your son's/daughter's health. This in turn will be given to the athletic trainer.
3. Any injury occurring during practice or a contest is to be reported to the coach and athletic trainer immediately.

4. At times, a student may need to be excused from participating in physical education (PE) class due to an injury, concussion, or a medical reason. If an injury requires a student to be excused from participating in PE class for more than 2 days, a doctor's note is required. This note should include the diagnosis, dates in which the note is effective, as well as any limitations the student may have. The school also requires that if the illness or injury is longer than 2 weeks, that there be an update by the doctor every 2-3 weeks until the student is able to return to class.

Any student who is **excused from PE class** for medical/concussion/injury reasons is **not permitted to participate in school-sponsored sports**. S/he may resume sporting activities after s/he has resumed PE with a doctor's clearance note.

TEAM SIZE

1. Every attempt will be made to allow as many students as possible to participate in any sport. Practical situations such as facilities, number of coaches, available playing time, etc. dictate that in certain situations, a team will have to be "cut" down to a manageable size.

2. In no case will cuts be made before three (3) practices have been completed. In general, sophomore and varsity team sizes will parallel IHSA tournament regulations. Freshman team sizes will generally be larger than sophomore and varsity team sizes. Team sizes in sports that offer freshmen "A" and "B" levels will be large enough to field teams for both levels. The expected team size for various levels of each sport is as follows:

GUIDELINES FOR ATHLETIC ADVANCEMENT

PROCEDURES: If an underclass student athlete is being considered by the coaching staff for advancement to a higher level within the program (ie. Freshman or Sophomore athletes moving up to Junior Varsity or Varsity-level), the Head Coach will discuss with the Athletic Director and the following steps will be taken:

1. Pending approval from the A.D., the coaching team (Head Coach of sport and the Athletic Director) will contact the parents and propose a meeting between parents, student-athlete, administration, and coaches involved. The student-athlete or parents of the athlete may decline such a tryout or advancement consideration.
2. Advancement consideration may occur prior to, or shortly after, the beginning of the sports season. Underclass-level athletes also may be advanced for post-season tournaments.
3. In reviewing a potential student athlete under consideration for higher level advancement, the Athletic Director will consider not only the team's needs and team chemistry, but more importantly all aspects of the student's growth and development including physical, emotional, social, intellectual and spiritual. The student's school records including academic, discipline, and attendance also will be taken into consideration.

ADVANCEMENT REVIEW:

1. The Coaching Team (Head Coach and Athletic Director) has a responsibility to closely monitor the development of the student-athlete once level-advancement occurs. Continued observation will be made in regard to the following:
 - a.. Team needs and chemistry
 - b. Student growth and development, including physical, emotional, social, intellectual, and Spiritual.
 - c. Student school records including academic, discipline, and attendance
2. Student-athletes who have been advanced in playing level may be recommended to return to their original sport level should the Coaching Team deem necessary for the welfare of the student-athlete and team. A transparent review process involving the student-athlete, parents, and Coaching Team will take place prior to this recommendation and will be handled on a case-by-case basis.

COMMITMENT TO ATHLETIC PROGRAM

As a member of a Marian Central athletic team, all athletes are to understand and abide by the expected level of commitment for such membership. Attendance and participation at all practice sessions and contests, support for fellow teammates, as well as respect for coaches is an expected part of being a Marian Central athlete.

- a. When a team Mass is scheduled during the season, all athletes are to attend.
- b. Family Vacations During an Athletic Season – Attendance at practices and contests is important for the continuity and development of the team. However, an athlete who will be absent for a vacation or trip with a parent(s) must present notification of that intent to his/her coach. Such parent-written notice must be presented a minimum of one week in advance of the planned vacation/trip stating the days s/he will be missing practices/contests. The coach will excuse a student for this purpose a maximum of three practice/contest days each season. The student will be responsible for personal improvement as assigned by the coach upon return.
- c. Participation in Outside Athletic Activities During an Athletic Season – If you choose to compete in a Marian Central athletic program, this will have precedence over any outside athletic activity. Each practice or game missed as a result of attending an outside athletic activity will result in an unexcused absence.

ATTENDANCE AT PRACTICE SESSIONS

An athlete must attend each scheduled practice session. The only exceptions are the following:

- a) Serving a school or teacher detention. Detentions must be served at the assigned time. Having a detention is not an excuse to miss a practice or a game. Similarly, having a practice or a game is not an excuse to miss a detention. Coaches have the option of penalizing an athlete for missing a practice or a game due to the fact the athlete was serving a detention.
- b) Excused all day absences (If the athlete is in school and goes home prior to practice the athlete should contact his/her coach or the Athletic Director prior to leaving).
- c) Pre-arranged events approved by the coach. Whenever possible, athletes are asked to seek approval from their coach 24 hours in advance.

ATTENDANCE AT SCHOOL

1. On a regular school day an athlete is required to be in school by the beginning of third period (10:00 am) in order to be eligible to participate in a practice or a contest. A student is required to attend a minimum of his/her last five classes of the school day to be eligible to participate.
2. If an athlete is absent from school because of illness, the athlete may not participate in a practice or a contest.
3. If an athlete leaves school because of illness during the day of a contest, the athlete will not be eligible to participate in a practice or a contest.
4. If an athlete is absent from school for reasons other than illness, the decision of eligibility will be left to the discretion of the Athletic Director or Director of Academics.
5. During a school suspension the athlete will not be allowed to participate in contests, practice sessions or any other school event.

(i.e.) Frosh "B" at Frosh "A"; varsity at sophomore; sophomore at varsity. They will sit together, dressed appropriately, in spots or areas designated by the head coach of that sport.
4. Travel To and From Contests: Student-athletes MUST travel with the team to and from each contest on the school provided transportation. Parents who find it necessary to transport their son/daughter home from the contest must notify. In the event a parent needs their son or daughter to go home with another student's parent(s), a permission slip must be signed by the student-athletes parent if they are not taking the bus home with the team. The forms should be given to the coach prior to the contest. Permission forms are located on the athletic website (<http://il.8to18.com/MarianCC>) under the Resources tab. . Permission will not be granted for student-athletes to drive to and from contests outside McHenry County.
