

Student Login & Tech Support

Device/Microsoft 365 Account Login: firstname.lastname@marian.com

Password: Marian Student ID #

Example: Marianstudent@marian.com

2000000

Google Drive Login: firstname.lastname@marian.com

Password: set by student

*****Freshmen First Password (WILL BE PROMPTED TO RESET BY STUDENT): Marian123**

*New students will have to reset their password at first login.

Technology Support Information

What do I do if I have a problem with my computer at school?

See Mrs Varga in the library who will investigate the issue and if necessary, forward the issue to the Technology Coordinator for further troubleshooting.

If Mrs Varga is not available, email support@marian.com

Please note: When emailing support, you must provide the asset tag number of your device (on bottom of device) and a detailed description of the issue.

*****Device support is only available during normal school hours.***

What if my device requires warranty repair?

If a warranty repair is needed, the student must stop in the library to see Mrs. Varga and provide a detailed explanation of the damage and how it occurred. Mrs. Varga will inform Mrs. Houk, the Technology Coordinator, and she will make arrangements for a loaner device.

Please also refer to The Marian Central Technology Resources Website for further information. We will be adding information to this site throughout the year.
