## Spring 2021 Collection of Marian Central student laptops: HP ProBook x360

ALL students must return their Marian issued laptops at the end of each school year. Every summer, the school performs regularly scheduled updates and maintenance on all student devices. These devices will then be redistributed to all registered 2021-22 students. The collection dates and times for the 2020-21 school year are dependent on what the end of the year looks like.
